Bellevue, WA 98004

Dear Sir:

Per our conversation on March 3, 2010, Norwood Village (located on Woodridge Hill in Bellevue) owns several parcels of greenbelt land (shaded green on the attached map) on behalf of our members. As we discussed, this past summer we had problems with trespassers creating a disturbance in the parcel shown as Ravine Park. At that time, our residents were not able to get assistance from the Bellevue Police Department.

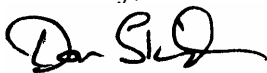

Legal descriptions and copies of the deeds for these parcels can be found at <http://www.norwoodvillage.info/GovDocs/index.htm#deeds>. Contact information and a current list of corporate officers for the Village Corporation can be found at <http://www.norwoodvillage.info/ContactUs.htm>.

Members of Norwood Village (those who own property within the Village as shown on the attached map), their tenants, and invited and accompanied guests continue to be authorized and encouraged to enjoy the use of these common areas and would not be considered trespassers.

Members of the Village and their tenants are authorized to request assistance from the Bellevue Police Department on behalf of the Norwood Village Corporation regarding trespassers on Village land if the trespassers are creating a disturbance, damaging property, or are otherwise behaving in a manner that would concern a reasonable person.

If you have questions or need further information, please contact me at 425-644-4067 or email the Village Corporation at NorwoodVillage@gmail.com.

Sincerely,

Don Skidmore
President, Norwood Village Corporation
