1. Marco de Sa e Silva v. Erkang Hu:

Mr. de Sa e Silva would like to have the support of the board in his case against Erkang Hu (Owner of the house 2709-123rd SE). So he was attending our meeting and tried to describe why in his opinion the tenants of Erkang Hu's house are an annoyance to the neighborhood. He also showed us the letter he sent to Erkang Hu. Bob suggested starting a record about misbehavior of the renters. Bob will write a letter for Mr. de Sa e Silva to support him in this case, if the renters are a serious nuisance to the neighborhood.
